Dear Your Company:

Please accept this invitation for **your company** to become a sponsor and/or exhibitor for **THE** intelligence training conference of 2012. The Association of Law Enforcement Intelligence Units (LEIU) and the International Association of Law Enforcement Intelligence Analysts (IALEIA) have combined resources to maximize visibility and attendance. We anticipate over 500 attendees. LEIU member agencies represent over 80% of the major law enforcement agencies in the United States and Canada and IALEIA has an international membership of approximately 1,800 members in 41 countries.

LEIU will be celebrating its 57<sup>th</sup> anniversary and IALEIA its 32<sup>nd</sup> anniversary - two of the oldest organizations of their kind - making this conference a **'can't miss'** event. The conference will be held at the Loews Hotel & Convention Center, Coronado Island (San Diego), CA, April 30 – May 4, 2012. As you are probably aware, corporate/business involvement in conferences greatly contributes to their success. It is our desire to build on those relationships each year and your participation will help ensure another successful training program.

The theme of the 2012 conference in Coronado will be "Criminal Intelligence: Catch the Wave". However, internationally recognized speakers and leaders in the intelligence community will be on hand to provide up-to-date information. Speakers and workshops will involve training related to criminal intelligence, international terrorism, criminal intelligence files and legal issues, topics that relate to organized crime and gangs, and information sharing among law enforcement. We will be co-hosting with the San Diego County Sheriff's Department, the Chula Police Department, the Golden West Chapter of IALEIA, and the Law Enforcement Coordination Center in San Diego.

On behalf of LEIU, the LEIU Foundation, and the IALEIA Board, we would like to thank you in advance for considering our request. Quality law enforcement training of this nature would not be possible without the financial support of private sector leaders such as **your company**.

*Several options, provided for your consideration, are described in an attachment to this letter.*

We have also included tri-folds describing LEIU and IALEIA, as well as the conference tri-fold.
