Association of
Law Enforcement Intelligence Units (LEIU)

The Association of Law Enforcement Intelligence Units (LEIU) is an organization whose mission is to provide leadership and promote professionalism in the criminal intelligence community. LEIU was founded in 1956 and subsequently established criminal intelligence standards that are recognized by both law enforcement and civil libertarians as creating a proper balance between the needs of law enforcement and the constitutional privacy rights of individuals.

LEIU maintains a criminal intelligence clearinghouse that facilitates the timely exchange of confidential information among its 240 local, state and federal member agencies. Its annual conference provides for certificated training and the opportunity for intelligence professionals to network with other members and their associates. LEIU provides its members with evaluation and technical assistance as well as timely publications and appropriate advocacy for professional criminal intelligence standards on the national level.

Although LEIU is primarily an agency-based membership, it recently changed its bylaws to allow for individual members. If you would like additional information on joining, please visit the LEIU website @ www.leiu.org or for informational material and an application contact LEIU at 916-227-7881.

Let LEIU be "Your voice at the national level!"

International Association of Law Enforcement
Intelligence Analysts (IALEIA)

Its aim is to enhance general understanding of the role of intelligence analysis, encourage the recognition of intelligence analysis as a professional endeavor, develop international qualification and competence standards, reinforce professional concepts, devise training standards and curricula, furnish advisory and related services on intelligence analysis matters, conduct analytic-related research studies and provide the ability to disseminate information regarding analytical techniques and methods.

IALEIA is an individual-based membership. If you are not a member and would like to join or receive information on joining please visit the IALEIA website @ www.ialeia.org.

The Department of Homeland Security (DHS) has approved the use of DHS Homeland Security Grant Program funds to pay for attendance at the LEIU/IALEIA conferences in Vancouver in 2007, Boston in 2008, and Las Vegas in 2009. Once again, the LEIU/IALEIA conference will have a strong nexus to Homeland Security and therefore qualify for DHS grant funds. However, as always, grant expenditures must be cleared with your DHS State Administrative Agency to make sure this applies in your region.
